Paving and Street Improvements in Arts & Design District

CARMEL, IN – Street repairs have begun in Carmel’s Arts & Design District. There will be some temporary lane closures and parking restrictions to accommodate this work, starting tonight, Tuesday, May 21.

On-street parking will be restricted in the Carmel Arts & Design District overnight from 9 p.m. – 5 a.m. This work will begin Tuesday, May 21st and continue through Friday night, May 24th depending on the weather. The parking and lane restrictions are required to mill up the asphalt on Main St. between Range Line Road and 4th SW. Paving is planned to begin on Wednesday and continue Thursday and if needed, on Friday as well. This work is dependent on the weather. Signs will be placed restricting on-street parking for the evening hours.

Thanks for your patience as we improve the streets in Carmel’s Arts & Design District.
