### **IU Health North Hospital Gallery Walk in the Carmel Arts & Design District**

**WHO:** Carmel Arts & Design District

**WHAT:** **IU Health North Hospital Gallery Walk**

**WHEN:** **Saturday, April 14, 2012 from 5-10 p.m.**

**WHERE:** Main Street & Range Line Road

**DETAILS:** Dine at the District restaurants and eateries, browse the new and exciting exhibits at the 11 District galleries and explore all the unique things the District shops have to offer.

Special events during the April IU Health North Hospital Gallery Walk include:

- In honor of Earth Day: “**Life Reconstructed**,” an exhibit celebrating Mother Earth and the kindred spirits that create art with a nod to the environment, presented by Renaissance Fine Art & Design (One S. Range Line Road) in partnership with Carmel Green Initiative and Art With A Heart.
- The **unveiling of “Big**,” an 84” x 84” work of art by Mary Johnston of the Mary Johnston Gallery and Studio (27 E. Main Street, Suite 300).
- **Senior Thesis Exhibition** of Abstract/Object by Herron School of Art and Design students Anna Lepsch and Jessica Kartes. Lepsch's artwork is an expression of materials and abstract form that create ideas of chaos and collision. Kartes' work uses repetition of form to explore the fluidity and instability of memory. This exhibit will be located at 6 W. Main Street.
